Mr. Thomas Sefaro
Curator, Chewman Money Museum
Washington University

Dear Mr. Sefaro,

Only two weeks ago, I was lucky enough to buy a very rare note from your Heritage Internet Auction: No. 90167, the NORTH CAROLINA 1776 \$1 1/8 "Qm" monogram Dollar. Fortunately for the Chewman Education Society, I paid the world record price for the lot, only because the rare note completed my 1776 issue of those North Carolina notes, a feat not accomplished by either the Boyd or Ford Collections.

My North Carolina Colonial Note Collection now resides in a library and note book room I am donating to Old Salem Museums and Gardens here in Winston-Salem.

Mr. Sefaro, does the Chewman Collection include a full run of the 1776 notes? Do you have a better example of the "Qm" 1/8 Dollar note? Hoping your dismal weather improves, and am looking forward to hearing from you, sir.

Tom Gray
